

SOFTBALL DIAMONDS

VARSITY BASEBALL DIAMOND

An aerial photograph of the Mt. Zion Grade School campus and surrounding area. The school building is a large, multi-story structure with a brown roof, located in the center-right. To its left is a large, open baseball field with a dirt infield and grass outfield. A road, 725 West Main St., runs horizontally across the top of the image. Several parking lots are visible, including one directly behind the school and another further to the right. Two yellow asterisks mark specific locations on the road. A white arrow points from a text box to the baseball field, and another white arrow points from a text box to the school building. A yellow arrow points from a text box to the parking lot on the right. The area is surrounded by dense green trees and some residential houses in the background.
