

Mt. Zion School District Summer School
Junior High Skills Building/Promotion Classes
June 1 – June 28, 2023

Mt. Zion School District is pleased to offer three in-person courses specifically designed to improve knowledge and ability in math and language arts for students currently enrolled at Mt. Zion Junior High School. Arrangements may be made for a student to participate in two courses if needed. Each subject area will meet in two separate sections each day, 2 hours each section, Monday-Friday, beginning June 1 and ending no later than June 28, 2022. All building and room assignments will be provided when each course is confirmed to families. Minimum enrollment requirements may apply with full refund for classes not held.

Course Description for MA 2107 – Fundamentals and Foundations for Pre Algebra

7:45-9:45 a.m (Time may vary).

This course will focus on whole numbers, integers, rational numbers, conversion of measurements, fractions, decimals, percents, exponents, radicals, LCM, and GCM. Basic algebraic properties of solving, factoring, and graphing, including slope, will also be addressed. Section placement dependent upon enrollment.

Course Description for MA 2189 – Algebra Boot Camp

10:00 a.m. – Noon (Time may vary)

This course will review the study of sets, operations, properties, equations, inequalities, factors, polynomials, linear sentences, rational expressions, radicals, and quadratics. Section placement dependent upon enrollment.

Course Description for LC217 and LC218 – Literature and Composition

Section 1 - 7:45-9:45 a.m.

Section 2 - 10:00 a.m. – Noon

In this course, students will use grade specific texts in order to learn the development and interaction of a story's plot, character, and setting. They will also be writing text-based informational and/or argumentative papers in order to show character development over time. Non-fiction articles will also be used to establish real-world connections. Section placement dependent upon enrollment.
